“Camp is a powerful, magical place and it provides opportunities for all of us to grow.”

...Sally Burton Szabo, ACA Member

Dear Applicant,

Thank you for taking the first step towards embarking on an unforgettable voyage.....Camping! Your interest in becoming a “crew” member at Rolling River Day Camp can lead you to one of the most self-fulfilling and rewarding experiences you may ever encounter. Our goal as staff members is to provide our campers with a fun, safe and gratifying summer. We are there to nurture relationships, encourage curiosity and risk taking, aid in emotional and physical growth, and most importantly, develop a positive sense of oneself!

As a counselor, **YOU** are a role model...**YOU** can make an everlasting positive difference in a child’s life! In addition, **YOU** will have the opportunity to develop your own life-long personal skills that will assist you in any career you choose in the future.

If you are willing to commit to **“make that positive impact on a kids life,”** then please complete and mail the attached staff application along with three written references to our camp office as soon as possible. After processing and reviewing your application, you may be contacted in order to set up an interview with our Rolling River supervisory team.

Once again, thank you for your interest in Rolling River Day Camp. We look forward to meeting with you so you could climb aboard with our terrific crew and **“Catch the Wave of Excitement!”**

Sincerely,

Rhonda and Mark Goodman
Directors
