Camp 2010

Dear Parents, Guardians and Friends,

Thank you for inquiring about our *Rolling River Day Camp Ben Appelbaum Scholarship Program*. In conjunction with the American Camp Association philosophy, it is our goal to be able to **"Give Kids A World of Good"** during the summer in a caring and supportive camp environment. Our program is designed to provide a camp experience for children whose families are in need of financial assistance.

During the past 17 years we have been able to provide hundreds of children the opportunity to **"Catch the Wave of Excitement"** at Rolling River Day Camp. Inasmuch as space is limited, we must carefully review the child's application, letters of recommendation, and parent/guardian income information. Application review occurs during the month of February. Once your application has been reviewed and accepted, you will be notified of the **reduced tuition** cost you have been awarded. This will occur sometime in March 2010. If you accept the tuition cost for your child, a meeting with the recipient and family is arranged so that we could finalize the details. Our policy for this program requires that the balance of tuition must be paid in full at the time you sign the contract. **Please note that because of the great number of applications we receive, we cannot offer scholarship aid to every family and can only offer PARTIAL scholarships. CAMP TUITION FOR APPLICANT RANGES FROM \$2,300 - \$4,500 BASED UPON INCOME VERIFICATION, as well the child's age and length of time your child will be attending camp.**

Attached you will find the Rolling River Day Camp Scholarship Form, which must be completed as soon as possible, along with the requested information. **Please be advised that no application will be processed unless all required papers are returned to our camp.**

If you have any questions or concerns, please do not hesitate to call our camp office at (516)593-CAMP (2267).

Thank you again for your interest in Rolling River Day Camp. We look forward to having the opportunity to share a wonderful experience with your family this summer.
